CÔTES DE PROVENCE ROSÉ

## **STYLE**

---

Breezette is the rosé wine that should be enjoyed by all on a warm day. It is a light, well-balanced, fruit forward rosé wine that is simple crisp, refreshing and thirst-quenching. It is rich with ripe exotic citrus fruits, like pineapple and red grapefruit, and has a hint of sea salt given the winery's close proximity to the sea.

With its light golden color and its perfect minerality and fresh flavors, this is a true and traditional expression of a beautifully crafted Provence rosé wine.
