IVY

THE WINE & THE REGION

IVY is named after Isabella Elizabeth “Ivy” of Burgundy, a French Noblewoman of the 12th century and an inspiration of her native region of Burgundy.

As a pure Muscat, IVY cultivates the iconic white grape of the family Muscat: Muscat Blanc à Petits Grains. This original blend extracts a light and tasty wine filled with effervescence.

THE STYLE

Muscat is a beautiful expression of the IVY style, distinguished by its bright fruitiness, its seductive palate and its elegant maturity.

This beautifully balanced Muscat is filled with nectar sweetness and aromas of white flowers and honey.

PAIRING NOTES

Strong aromas of nectarine, peach, and apple make IVY Muscat a perfect aperitif wine with its vigorous sparkle and light and refreshing style.

IVY Muscat also pairs well with melon and prosciutto, spicy ceviche, Asian cuisine, sushi and foie gras.

Exist to be remarkable.

Strive for the unimaginable.

Experience the exceptional.
