IVY

THE WINE & THE REGION

IVY is named after Isabella Elizabeth “Ivy” of Burgundy, a French Noblewoman of the 12th century and an inspiration of her native region of Burgundy.

As a pure Blanc de Blancs, IVY is made with 100% of the richest Chardonnay grapes, reigning from the heart of Burgundy, home of the most superior Chardonnay in the world.

THE STYLE

This beautifully balanced Blanc de Blancs is simply delightful on the palate with its pleasing minerality, well rounded elegance and finishes with great length and persistence.

On the nose, it is fragrant with white blossom, citrus and green apple, and over time, the aromas evolve into vibrant notes of stone fruit, apricot and peaches.

PAIRING NOTES

A perfect aperitif wine with its vigorous sparkle and light, refreshing style.

Also pairs well with Mediterranean cuisine, aromatic and spicy dishes, as well as seafood, particularly shellfish and sushi.

Exist to be remarkable.

Strive for the unimaginable.

Experience the exceptional.
