THE HERITAGE

Isabella "Ivy" Elizabeth was a French noblewoman who held immense political power and persuasion, and loved French art, poetry and fine wine. After her retirement from court, Isabella spent her final years in a secluded château enjoying wines of France.

As a pure Blanc de Blancs, Ivy honors her namesake as a beautiful expression of French sparkling wine. It is made with 100% of the richest French Chardonnay grapes that offer a luxurious experience for those who exist to be remarkable.

THE STYLE

This beautifully balanced Blanc de Blancs is simply delightful on the palate with its pleasing minerality, well rounded elegance and finishes with great length and persistence.

On the nose, it is fragrant with white blossom, citrus and green apple, and over time, the aromas evolve into vibrant notes of stone fruit, apricot and peaches.
