

ISABELLE Ivy BLANC DE BLANCS

THE STORY

Isabella “Ivy” Elizabeth was a noblewoman in 15th century France. She immersed herself in the diplomatic and political culture of court life and was instrumental in arranging powerful marriages for members of the French court.

However, throughout her tenure as a noblewoman she maintained an ardent appreciation for art, poetry and fine wine. After her retirement from court, Isabella spent her final years in a secluded château enjoying wines of France.
