Luca Paretto is curated at a family run winery whose vineyards are found in the foothills of the Alps in Italy's prestigious Treviso region. Featuring breathtaking views of the surrounding valleys, Treviso is celebrated for its beautiful backdrop and charming vineyards that produce Italy's only authentic proseccos.

The vineyard has been designed to infuse every grape with the hill's unique soil and microclimate, resulting in distinctive, exemplary wines. From vine to final product, Luca Paretto wines are cared for with the utmost passion and attention. The winemaker carefully coaxes exotic flavors from each harvest to produce a uniquely lush, fruit forward prosecco that satisfy those who crave exceptional wine.

STYLE

SEYØ appears pale yellow with a lively perlage. The dry and delicate taste is underscored by the floral aroma of wisteria and acacia. SEYØ is an elegant prosecco that is soft and pleasant and presents a perfect acidic balance.

TASTING NOTES

SEYØ is a versatile and charming prosecco that is perfect for any meal or occasion. It enriches any white meat dish such as grilled chicken and especially complements sophisticated, sweeter dishes such as crème brûlée and dark chocolate truffles.
