BIANCO BRUT

VARIETAL

Pinot Nero, Pinot Bianco, Chardonnay

WINERY AND REGION

Angoris is considered a pioneer in Friuli sparkling wine. Angoris has been crafting Modolet since 1973 and is considered a standard bearer in the region. Modolet was given its name from the plot on the Villa Locatelli Estate where the Modolet grapes are curated.

The maritime climate and just the right amount of rainfall in Friuli, and the stony soils of white and red gravel, all contribute to the unique zest and flavor of Modolet.

STYLE

Modolet appears straw yellow with hints of gold. On the nose, white flowers and fresh peach are present. On the mouth, it is dry and delicate with a fine perlage.

TASTING NOTES

Modolet is complemented by charcuterie such as salami and prosciutto. It also pairs well with heavy Italian dishes such as carbonara.
