PARCE 3-YR RUM

Parce is an ultra-premium, craft Colombian rum that welcomes you with an embrace as warm as today's Colombia. Explore the beautiful country of Colombia, rich in history, culture and natural wonders. It is home to the friendliest people and the most beautiful landscapes and produces the best coffee, the freshest flowers and the most distinguished rums.

Aged in bourbon oak barrels and blended with notes of buttercream, honeysuckle, caramel and vanilla bean that come from age. The smooth yet bold and lively feel of this rum make it perfect for cocktails like daiquiris and mojitos.

For every bottle of Parce Rum 3-Year sold, Parce Rum contributes towards their highly successful tree planting program in deforested regions of Colombia. To date, more than 30,000 trees have been planted, with 60,000 more estimated in the coming year.
