Shaking Up the American Rum Market

**FAST COMPANY**

“Listening to the Colombian way of making and drinking rum was crucial. Instead of making a rum for Americans, they made a rum for Colombians. What’s more, they followed the lead of Colombian experts on what makes a great Colombian rum.”

Best Summer Cocktails

**Forbes**

“Parce Rum is inspired by the beautiful weather of Colombia and the warm hospitality of the Colombian people. ... [This Mai-Tai inspired cocktail] celebrates friendship and warm summer days. It’s easy to make, refreshing for sure, and effortlessly easy to drink.”

### PARCE 8-YR PRAISE.....

2017 *Publisher's Picks*

“Walnuts and cocoa are apparent on the nose and with each deep intake, it becomes a bit more resinous. The palate is opulent and dry and engages notes of darker chocolate, coffee bean and grains. A touch of sweet tobacco and charred oak comes in mid-to-finish with a hint of Bing cherry.”

### PARCE 12-YR PRAISE.....

Named #1 Best Rum for Sipping

“This 12-year-old Colombian rum has “a lot of wood right off the nose, and caramel from its bourbon barrel aging,” McCoy says. “Add some ice and start to detect a subtle sweetness and spice.”

### COCKTAILENTHUSIAST

“Parce 12 is a fine sipping rum. Sure you could mix this into an Old Fashioned—we did, and it was delicious—but the smooth and flavorful profile leaves us content sipping this one neat.”
