

MODAGOR

Gin

THE DISTILLERY

- ✦ *Modagor is crafted at one of the oldest distilleries in France and is located south of Lyon and north of Provence.*
- ✦ *Founded in 1705, the distillery has been producing craft French spirits for over 300 years.*
- ✦ *Modagor is crafted by master distiller Etienne Saint who has over 22 years of experience and learned the tradition of distillation from his father.*
- ✦ *Modagor is created using a storied distillation process in seven copper stills, each one named after influential women in the company's history.*
- ✦ *Thanks to the long tradition of the French perfume industry, aromatic plants and flowers are in abundance, allowing for unique botanicals in an exceptional spirit.*
- ✦ *The distillery uses local water sources and works with the highest quality suppliers to ensure Modagor's French roots remain authentic.*

BOTANICALS

- ✦ *Lavender*
- ✦ *Juniper*
- ✦ *Coriander*
- ✦ *Iris*
- ✦ *Angelica*
- ✦ *Orange*
- ✦ *Lemon*

TASTING NOTES

Modagor is a spirit boasting seven botanicals that offer an effervescent and aromatic cocktail. The nose on Modagor is intriguing and offers the invigorating scent of juniper, and zesty citrus aromas of lemon are balanced by soft floral aromas of **lavender**.

On the palette, Modagor is dry and fresh with notes of lemon and orange peel with and a crisp, clean finish.
