

Kulüp
rakı

STORY

The Story of Kulüp Rakı, Turkey's oldest living rakı brand, has been a part of our lives since 1930. From the day it took its place on rakı tables, it became a symbol of pursuing unique and extraordinary beauty. Kulüp Rakı is a true community brand that thrives on high sociability and eternal friendship. It is the drink of communities that value thinking together, having fun together and sharing, and that continue their social life for generations. Moving forward, Kulüp Rakı will continue to grace tables with its 50-degree alcohol content.

The Style

Unique depth of smoothness from the certified anise seeds used in the anise blend from the Burdur and Denizli regions of Anatolia, with a 45% alcohol content, taken from the very heart of the distillation, focusing on the most aromatic, smooth, and balanced drinking experience.

Alcohol Volume: 50%

Launch Date: 1932
